## Foreword

With this "Key" we unlock the door of knowledge to ascend the stairway of success. We have climbed but the first flight in our never ending journey upward. As we stand at the top of the stairs glancing back, may this annual serve as a reminder of the many incidents both great and small which have brought us this far. We shall turn the pages of this, our Key, as if each were a separate step containing a memory to be ever cherished.

## Entrance to Knowledge

The students who looked up as they went through this door of learning will long remember the familiar view.

## Public Library

- -

Across the street from Angola High School is the Public Library, where students spent much of their study time. The librarians are very helpful, especially when term papers are due.

## School Parking Lot

-

Our school parking lot is a great convenience to both students and teachers. It has also been invaluable for those attending other school activities such as athletic events or other programs held in our school.

## Pleasant Lake

A number of members of the class of '65 started their educational climb within the walls of the Pleasant Lake School. They cherish many memories of the time spent in this school building.

The freshman basketball team use the gym in this building for their practice sessions.

## Scott Center

Some of our graduating seniors remember Scott Center School as the starting point of their education. For the past few years Scott has served as only an elementary building and will not be used at all after this year.

## Carlin Park School

In Carlin Park Elementary School, the newest of our school buildings, many young students receive their first formal instruction. They enjoy the advantages of a cafeteria, an all-purpose room, up-to-date equipment, and fine teachers. A new addition has increased the facilities available to the students at Carlin Park.

Building

## Hendry Park School

The modern Hendry Park School and its faculty provide an excellent educational foundation for future study. Grades one to six attend here. The new extension on the south wing of the building supplies additional rooms, put into use for the first time this year. Angola is proud to have this up-to-date school within its system.

## From the Air

Three of the buildings in our school system were captured in this picture when the photographer took to the air.

## Our Gymnasium

As usual, our gymnasium and arts building has been the scene of continued activity throughout the year.

## In Appreciation

The past year has been one filled with many activities and accomplishments. These achievements would not have been possible if it were not for the direction and leadership of Mr. Morin, the class sponsor during our junior and senior years of high school, and Keith Wyatt our senior president.

We, the graduating class of 1965, wish to express our sincere appreciation to you, Mr. Morin and Keith, for your unfailing guidance and understanding.

Prior to our senior year, our class presidents and sponsors were Freshman - Chuck Nedele and Mr. Dygert; Sophomore - Pam Van Meter and Mr. Brayton; Junior - Dave Yarian and Mr. Morin.

It goes without saying that our appreciation is extended to these people who gave of their many talents to guide and direct our class.

## In Appreciation

In order for a group as large as our senior class to produce something of any merit, it must be guided by someone with the ability to organize and plenty of patience. We find these qualities in both our supervisor, Miss Shultz, and our editor, Diane Ralston. These two have been working side by side for many weeks in preparing our year book. The dedication of their time and talent will long be appreciated by all, especially those who accept this "Key" as a treasure of memories of their final year at Angola High School.

In this way we wish to extend to you, Miss Shultz, and you Diane Ralston, many thanks. You deserve much credit for the quality of the 1965 "Key." Thank-you both!

With this "Key" go many thanks to the head photographer, Don Hale. He was the true spirit of the "candid camera." Wherever there was action—there was Don! Here Sally is the subject.

## OUR SUPERINTENDENT

We appreciate the work Mr. McCutchan has done for our school. This is the second year he has served as Superintendent of the Metropolitan Schools of Steuben County. We feel he has done an excellent job, and we sincerely thank him for all his help and guidance.

## SECRETARIES

Mary Sanders and Edith Cox are the secretaries in Superintendent McCutchan's office. Although they were busy, they were always willing to help the students too.

## BOARD OF SCHOOL TRUSTEES

The success of the school year depends upon the efforts of the Board of School Trustees. We owe much to them, for they have worked extremely hard on many problems throughout the year.

We, the Class of 1965, wish to extend our sincere thanks for their work to make our school life better and more enjoyable.

## OUR PRINCIPAL

Mr. Hammel has worked very hard to make our high school years the best possible. He has always been available to help us with our problems, no matter how large or small. Thank you, Mr. Hammel, for your kindness and for a job well done.

## BOARD OF SCHOOL TRUSTEES

R. L. Nedele, *Secretary*; Robert Berkes, *Treasurer*; F. K. McCutchan, *Superintendent*; Burdette Hall; (Insert) D. G. Mason, *President*.

## OUR ASSISTANT PRINCIPAL

Mr. Johnson, besides serving as our assistant principal, is also our athletic director. Even though he was very busy, he still took the time to help us in any way possible. We, the Class of '65, wish to express our sincere appreciation to you, Mr. Johnson.

## SECRETARIES

Rita Burrell, Kathy Fisher, and Kitty Rozell, secretaries in the high school building, are always ready and willing to assist any of the teachers or the students at any time.

We, the Class of '65, wish to express our thanks for the help they have given us.

# Faculty

MR. KOLTER and MR. FLEMING, our new guidance counselors, have been a great help in assisting us with our problems of selecting colleges and applying for scholarships. MRS. MORTORFF is the secretary in their office.

DR. HORRALL, our school psychologist, and MRS. MORTORFF, her secretary also, seem to be discussing an interesting subject.

MRS. HOWELL, our speech and hearing therapist, is talking with Nita Burrell about some of the interesting phases of her work.

# Faculty

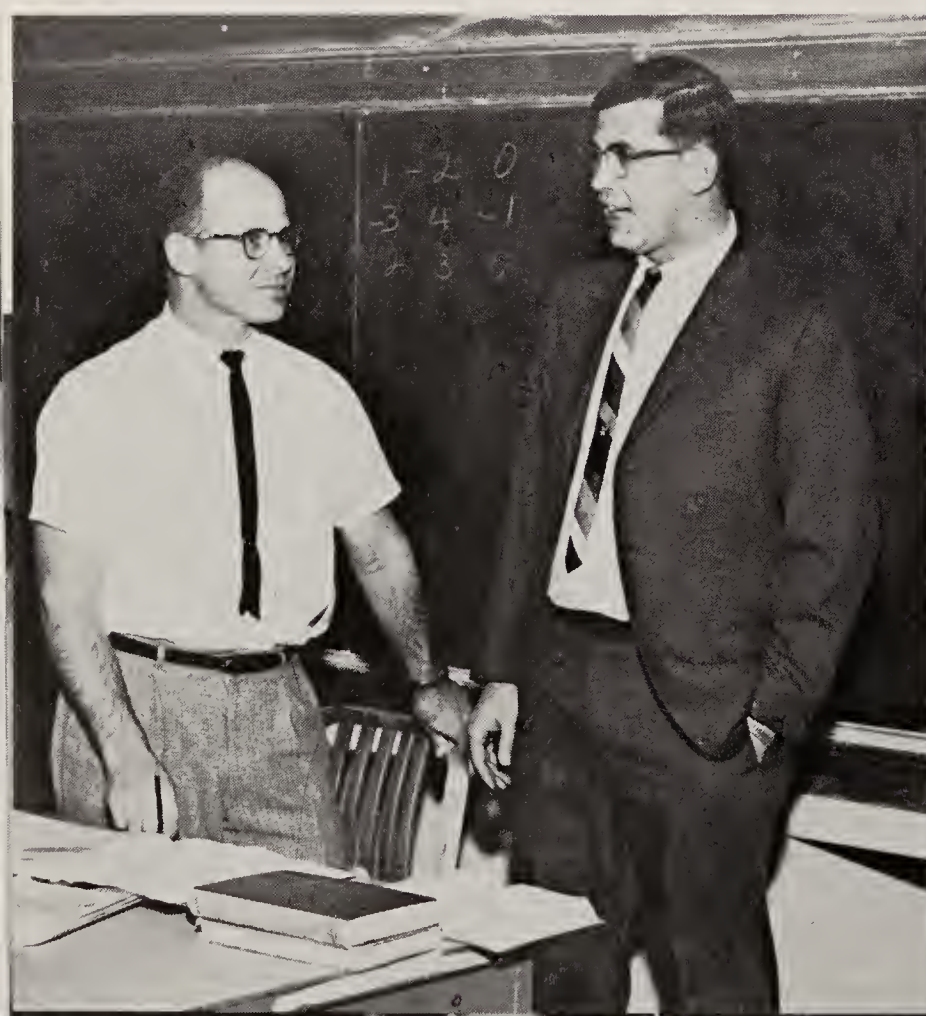

MISS SHULTZ and MR3. LAVENS discuss their English classes. Perhaps problems of both junior high and seniors are being considered.

MRS. HOULTON, our new librarian, assists Terri Haley in locating some material for her English term paper.

Although MR. ATKINS teaches algebra, he seems very much interested in the progress of MR. PROSSER'S Spanish Club.

# Faculty

What do you suppose the topic of conversation is when MR. THOMPSON, MR. SIRK, and MR. MORIN get together - Latin, United States history, or government?

MRS. OWENS on her way to English class stops for a chat with MR. CABLE about his trigonometry and senior math work.

MRS. CLARK and MR. MONTGOMERY evaluate a lab report handed in by one of their science students.

# Faculty

Typing, shorthand, or English will be the topic under discussion by MRS. CLINE, MISS IDdings, and MR. BARKDULL. At present it seems to be typing.

MRS. LONG, our school nurse, takes time out from her day to check over some health records.

MR. SCHLOSSER, MR. ETZLER and MR. WEARLY are discussing projects in the industrial arts department.

## Faculty

Music would be the topic of interest for MR. NICHOLS and MISS SIEBOLD.

MRS. CHOKEY gives Larry Lehman some pointers on an English theme.

MR. DYGERT is telling MR. ARNEY, of the chemistry department, about the physics test he has just given his students.

# Faculty

MRS. BUSE and MRS. TRENNEPOHL seem to find their homemaking work very amusing or was it a joke this time?

MRS. GREER, a new member of our faculty, is discussing a typing test with Sylvia Crone.

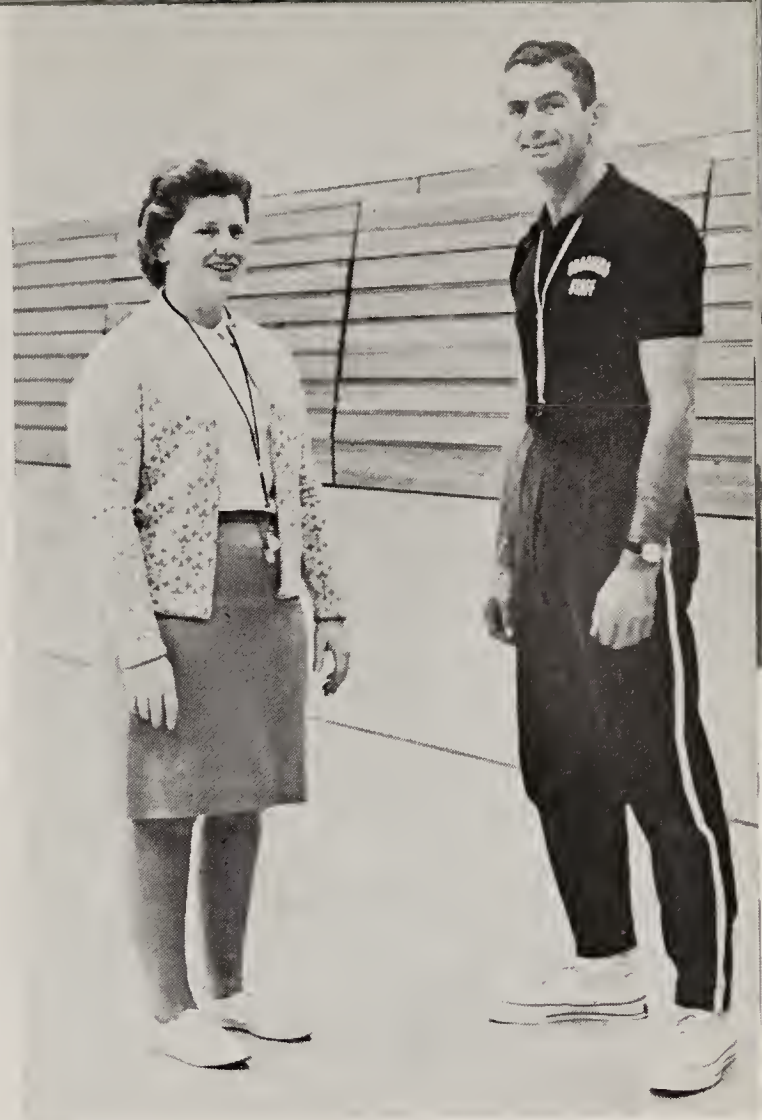

"Avez-vous etudie votre lecon?" asks MRS. OWENS, of the French department. "Je viens de la finir. Elle etait tres facile," replies Jane Williamson.

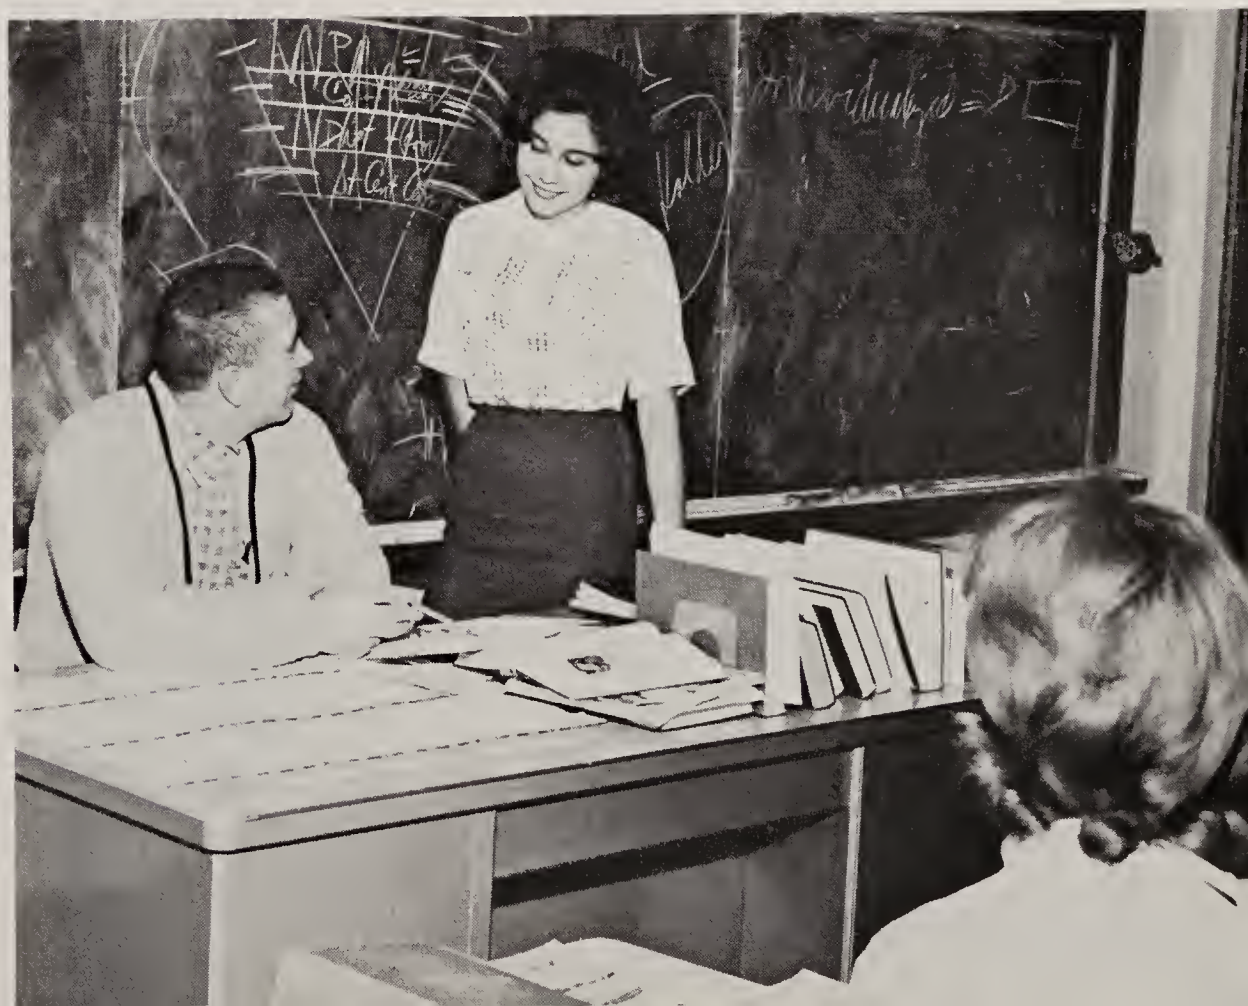

# Faculty

MRS. GRABILL and MR. NESBITT take a few minutes from their physical education classes to pass the time of day.

MR. BRAYTON, of the English department, is discussing a magazine article with Sharon Brandeberry.

Stephanie Slanina is pleased as MR. AVERY, of the English department, praises the speech she has just given.

## Faculty

MRS. CONROW, a new member of our English department, is showing a book to MR. KELLEY and MR. FIANDT. It could be about history or English.

MRS. SCHULZ, our new study hall teacher, stops between classes to talk with Sharon Randol.

MR. MYERS, who teaches geometry, stops to ask MRS. KILE what the students are doing in her math classes.

# Faculty

MR. IMMEL discusses with Connie Anderson one of the art projects. The art room is always an interesting place to be.

MRS. MANALIO is explaining to Mike Bratton a difficult problem in arithmetic.

## Our Custodians

We owe many thanks to our custodians—Lester Shelton, Carlton Erwin, Jerry Rumsey, Tom German, and Don Wyatt for the services they have performed at A. H. S.

Their work is never done. They clean the floors, repair the furniture, replace burned out light bulbs, shovel snow off the walks, and do countless other jobs necessary for a smooth running school.

We thank you.

### A Busy Place

## Bus Drivers

Morning and evening, no matter what the weather, our reliable drivers make their rounds. They also willingly take students to outside school activities such as basketball games or on field trips.

We appreciate their efforts in helping us have a fine school.

## Safety Patrol

Harry Sowle's was the responsibility of seeing that many students in the Angola schools safely crossed Highway 27 each day. Harry cheerfully greeted the students in all kinds of weather; he is a friend of everyone.

## After High School

People who have graduated  
Always return and say,  
"The best years of my life  
Were in my high school days."  
But we, today, as seniors,  
Think they surely must be wrong,  
For it's days like theirs, of freedom,  
For which we seem to long.  
However, when we graduate,  
I imagine we too, shall tell  
Of all our glorious high school days,  
That we enjoyed so well.

Now that Mr. Sirk is on the  
staff.

Here is a class in English

Seniors' heads hold more and  
more.

In business law the students  
study with zest;  
Mr. Barkdull is about to  
administer a test.

Mrs. Owens is smiling it's  
true,  
But her English students  
know term papers are due.

Mr. Immel's class looks  
smart;  
Everyone should study art.

Mr. Brayton in English II  
Tells his sophomores what  
to do.

# Classes

Mr. Nichols waves his faithful baton,  
And the band plays cheerily on.

Mr. Kelley is a history fan;  
Every student work as hard  
as he can.

While Mr. Prosser plans a fiesta,  
His estudiantes would rather  
have a siesta.

"Take care of the test tubes," Mr. Arney might say,  
As general science gets under way.

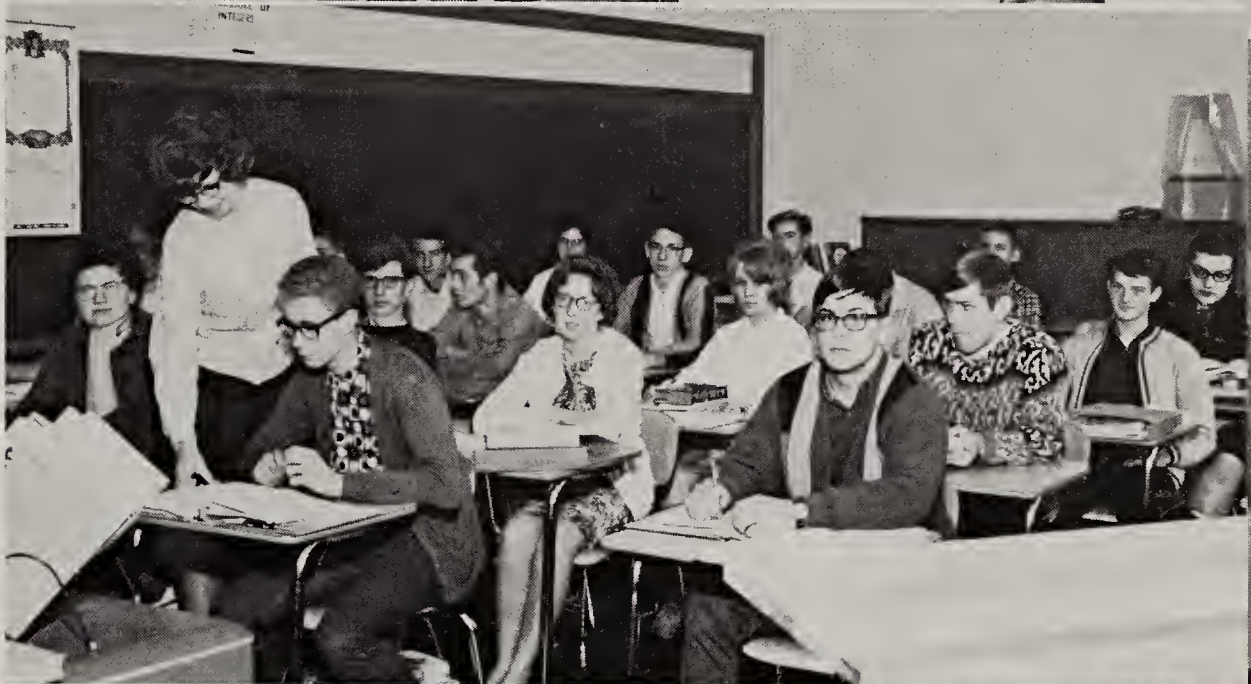

# Classes

English is Mr. Avery's specialty,  
And the Juniors love it, it's plain to see.

Figures the students all know,  
Under the direction of Mrs. Manalio.

Latin lives today at A. H. S.  
Mr. Thompson puts it to the test.

If that problem has you on a limb,  
There's Mr. Myers - just ask him.

# Classes

Mr. Atkins will tell you it's true,  
Algebra II's not easy to do.

Senior Math is headed by  
Mr. Cable,  
And all his students are eager

Mrs. Conrow knows her

These boys would have to

 To get through mech.

Though no classes are held  
 in study hall,  
 Mr. Brayton might say, it's  
 the best place of all.

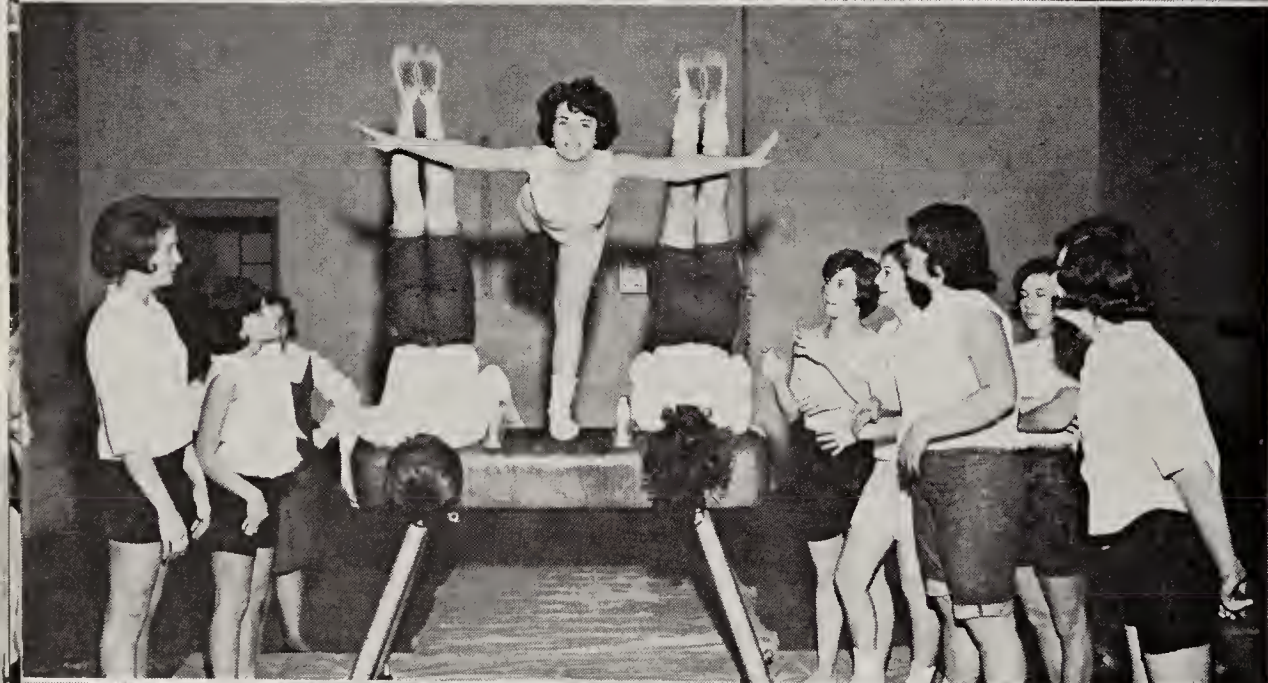

# Physical Education Classes

The first three pictures show the sophomore girls' physical education classes in action. First we see Cheryl Myers and Michelle Franze on the balance beam.

Jump high, Linda! Here, Linda Zimmer is practicing on the trampoline.

Kay Cole, Judy Mortorff, and Beverly Boyd are demonstrating a stunt on the side horse.

The fourth group is the eighth grade boys' physical education classes taught by Mr. Nesbitt. Randy Meredith is an assistant.

## Summer Driver Training Classes

Angola was the first school in the state to start a driver education program in 1947. Since 1957 this class has been given only during the summer months.

Students receive thirty-two hours of class room instruction and twenty-six hours in a car, six of which are behind the wheel.

The instructors last summer were Mr. Cable, Mr. Kelley, Mr. Ryan, Mr. Etzler, Mr. Morin, and Mr. Frymier.

# Student

During the school year the teachers are assisted by students in their various classes. The students gain more experience and information in their chosen fields while helping.

The first group helped Mr. Etzler in the metal shop department. Michelle worked in the office. The next picture shows assistants working on a project for woodshop. Helping Mr. Wearly are his students in mechanical drawing.

Below we see the film projector operators with Mrs. Houlton. Movies and slides would not be possible without them. They unpack films, sort them, and show them in the classrooms where they are scheduled.

Hats off to all these students who willingly work in their chosen departments!

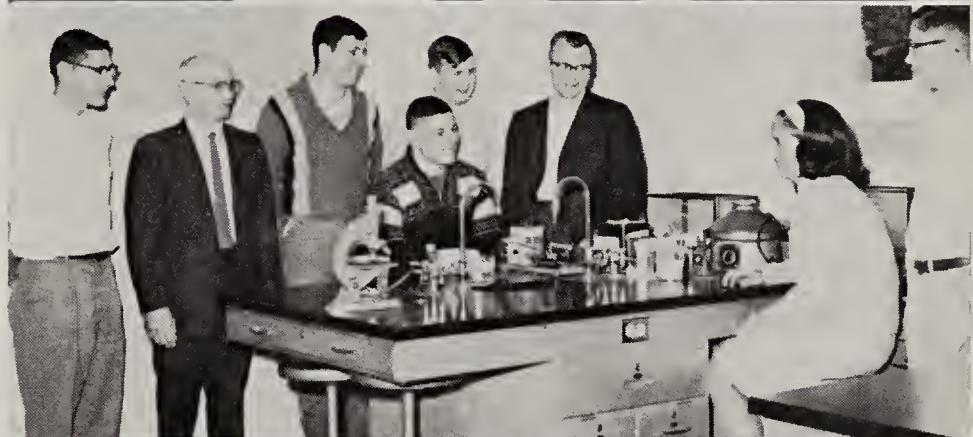

# Assistants

Mr. Immel is aided by his art assistants. Much checking materials and clean up work must be done. Next we see the students who help in the music department, putting away music, hanging up choir robes, and doing several other jobs. The science department receives help from students pictured. The student librarians are receiving instruction from Mrs. Houlton, the faculty librarian.

Mrs. Buse and Mrs. Trennepohl are shown talking things over with their home-making assistants. Next are a number of girls who work in the girls' physical education department. Lois Sellgren and Sally Hoffman are pictured with Mrs. Mortorff while they assist her with the work in the guidance department. The school nurse, Mrs. Long, is aided in her work by the group of girls pictured. They stay in the health room during their free time, aid in whatever way they can, and call Mrs. Long if she is needed.

# The Hornet

The journalism classes went all out this year to make The Hornet the best ever. For the first time the school newspaper was professionally printed. Journalism students became involved in display, makeup, typography, and advertising, and the circulation was expanded as the publication was sold to the public as well as to students. Through determination and hard work on the part of the staff The Hornet was an agent to distribute news and opinions throughout the school and community and a source of pride for the staff, students, and faculty of A.H.S.

## Hi-Y

The Angola Hi-Y Club, formed in 1921, is a member of both state and national organizations. The club has 92 members this year. The purpose of the club is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

The Hi-Y activities throughout the year included parking cars at football games, putting on the Christmas Prom, "Wonderland by Night," and picking up Christmas trees for the annual "Burning of the Greens" sponsored by the Lutheran Church of Angola.

Harry Kelley was the guest speaker at this year's candlelight induction of new members, held in the Hendry Park Gym. Twenty-nine members joined the club this year.

The programs at the regular meetings, held on alternate Wednesdays, were varied. Superintendent F. K. McCutchan talked to the club on schools of the future. A film, "Mechanized Death," which dealt with traffic safety, was shown at one of the meetings. Mr. Morin addressed the club.

Phil Smathers attended the fifth Indiana Youthpower Conference held March 4 and 5 at Hotel Severin in Indianapolis. The theme of the conference was "Food Come First," with the objective of emphasizing to our young people the tremendous importance of proper nutrition, good eating habits, and an understanding from the farm to the table food story. He was one of a total of 101 young people who represented the 9 following youth organizations in the state: F.F.A., F.H.A., 4-H, Sun-

shine Society, Camp Fire Girls, Hi-Y, and Rural Youth. Mr. Wearly was a chaperon.

Phil Meyers, representing Indiana, attended the fifteenth national council of Hi-Y and Tri-Hi-Y at St. Olaf College, Northfield, Minnesota. The council met three days before the eleventh National Hi-Y Congress.

The club participated in a newly formed national Youth and Government Program. Phil Meyers and Bill Munn are delegates representing the club. Phil was also chosen to run for governor in the pre-legislative session. The territory will include the northern third of the state of Indiana. Similar assemblies will be held in the two other thirds of the state with the eventual state-wide conference determining the winners in the various offices. Each club also will present to the legislative conference a proposed bill on some field such as transportation, public health and safety, or taxation and finance. This model legislation will be co-sponsored by the two voting delegates. The purpose of the Youth and Government Program is to provide young men and women with the opportunity to better understand the moral and political leadership required by our American democratic process.

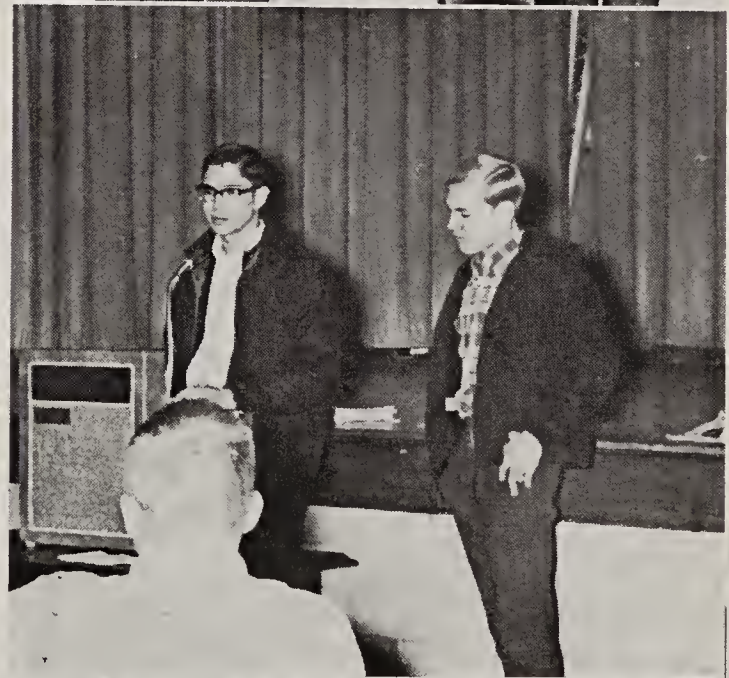

The officers this year are: Chuck Nedeale, president; Phil Meyers, vice-president; Phil Smathers, secretary; Steve Terry, treasurer; Steve Wheeler, chaplain; and Carl Ransburg, sergeant-at-arms.

## Y-Teens

Y-Teens is a world-wide organization of high school girls from sixty-five countries, which is affiliated with Y.W.C.A.

The many social events held during the year include the formal initiation of new members, the cookie sale, the decoration of the school Christmas tree, installation of officers, the Senior Swing Out, and the Pa-Ma-Me Banquet. One of the outstanding events of the year was an impressive Christmas Candle Lighting Service attended by both Y-Teen and Hi-Y members. The club also presented the school Thanksgiving program. During the summer two members, Debbie Spangle and Janet McCutchan, attended the Y-Teen Summer Conference. Representatives sent to the Winter Conference were Barbara Hanselman and Michelle Hall.

Although Y-Teens enjoy many social events, they also are a group dedicated to helping others.

Aiding the local service clubs in various projects, sending birthday and Christmas cards to the inmates of the county home, and helping needy children are a few of the numerous service projects.

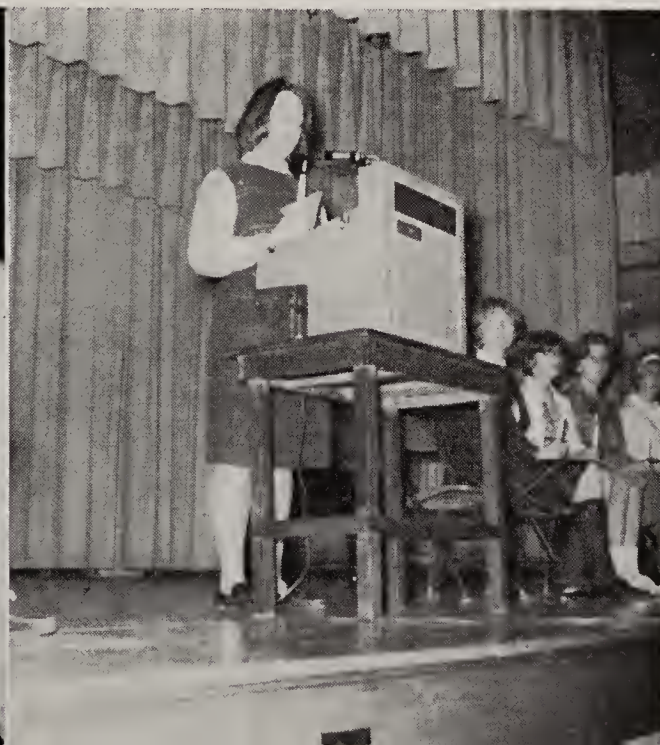

The officers for the 1964-65 school year were: Michelle Hall, president; Suzy Holtzman, vice-president; Cindy Cook, secretary; and Nadina Rensch, treasurer. The cabinet consisted of the elected officers and all committee chairmen—Barbara Hanselman and Nancy Wilder, program; Sally Hoffman, social; Janet McCutchan, publicity; Barbara Brown, finance; Pam Van Meter, chaplain; Diane Ralston, pianist; Joyce Johnson, song leader; and Kathy Chadwick, scrapbook.

The faculty advisers were Miss Iddings and Mrs. Houlton. Members of the adult council included Miss Shultz, Mrs. Buse, Mrs. Owens, Mrs. Hanselman, Mrs. Hoffman, Mrs. Spangle, Mrs. Swank, and Mrs. McCutchan.

## Photography Club

The Photography Club is now in its fourth year as an organization in Angola High School. The purpose of the club is to provide boys and girls who are interested in photography an opportunity to learn more about it.

Equipment which they have available includes a Bessler enlarger, paper, and chemicals, along with a complete set of photography encyclopedias. Also members of the photo club have at their disposal a

35-mm Pentax camera and a 200 watt electronic flash outfit.

Accessories for the near future include a sink for convenience and a fan for ventilation which are both necessities for a complete darkroom.

This year the main job of the photo club included taking pictures for the Key and the Hornet.

Mr. Dygert is the faculty adviser.

## Spanish Club

Una Noche En Un Jardin Espanol, a Spanish Fiesta, highlighted the activities of the Angola High School Spanish Club this year. Decorations carried out the theme of a Spanish garden. The party consisted of a supper with some Spanish dishes followed by dancing and various kinds of entertainment presented by club members. Approximately 125 students attended the fiesta as well as some faculty members. The fiesta was partially financed by the profits made from the sale of candy by club members earlier in the year.

The 90 members of the club were mainly Spanish I and Spanish II students. They met twice a month having a business meeting during home room period and an evening meeting for entertainment and enlightenment. Mr. Hile, Spanish teacher

at Ashley, showed a film and talked to club members about the trip to Mexico he and some of his students made last summer, at one entertainment meeting. At another, club members presented skits on careers.

New officers were inducted at a formal ceremony early in the year. Each outgoing and incoming officer made a brief speech at that time. New members had to perform such feats as finding their ways blind folded through a maze of chairs when they were initiated at a later meeting.

Officers this year were: Connie Bodley, president; Bob Crain, vice-president; Jean Stevens, secretary; and Carol Chokey, treasurer. Craig Benson was the fiesta chairman.

Senor Jack Prosser was faculty adviser.

## Junior Classical League

It is the aim of the Junior Classical League to further an interest in the classics. Members gain an appreciation of the cultural aspects of ancient Greece and Rome and learn how many of these customs have influenced our lives today.

The Angola chapter of Junior Classical League was organized in 1953 and meets every even Tuesday of each month.

Each spring, J. C. L. entertains its new mem-

bers with a slave auction or Olympic supper. This school year the organization sponsored a money making project. Ball point pens in the school colors were sold by the members.

Officers for this year were: Kathy Clancy and Dick Horny, consuls; Ginny Shoup, scribe; Judy Mortorff, questor; Jean Penix and Rod Siders, program chairmen; and David Yarian, song leader.

Mr. Thompson is the club's faculty adviser.

## Future Teachers of America

Is teaching the profession for you? Members of the Future Teachers of America are given the opportunity to answer this question for themselves through actual teaching experience. They may explore their own abilities and interests related to the teaching profession, cultivating the qualities of personality, character, and leadership, which are essential in good teachers. Club members experience the pleasure of helping others.

Attending state and area conferences, serving as guides at school open house, helping teachers grade papers, teaching classes, helping

at the district contest, participating in panel discussions—these activities were enjoyed by club members during the year.

Officers of the Future Teachers of America were: Vicki Willis, president; Nadina Rensch, vice-president; Barb Hanselman, secretary; Peggy Sutton, treasurer; James Ireland, parliamentarian; Suzy Holtzman, historian.

This year the club had sixty-seven members, who met on alternate Thursdays during activity period.

## National Thespian Society

The Angola Chapter of the National Thespian Society was organized in 1952. It replaced the former dramatics society known as Alpha Delta Chi.

This society is an honorary organization established for the promotion and advancement of dramatic art in secondary schools. It is composed of students who have earned the required number of points for meritorious work in play production.

"Junior Miss", a three-act play, was the first production of the year. Also a successful production was "Miracle at Potters' Farm." The Thespians closed the year with their first musical production, "Sal." During the year several Thespian members presented various skits and monologues for the programs of local service clubs.

The Thespian officers were: President, Cindy Cook; vice-president, Sally Hoffman; secretary-treasurer, Debbie Spangle; sergeant-at-arms, Don Crone. The sponsors and directors were Mrs. Chokey and Mrs. Lavens.

# “Junior Miss”

“Junior Miss,” a successful Broadway comedy, was the Thespians’ first production this year. The plot concerns the transformation of a young tomboy into a lovely “junior miss.”

Judy Graves, is the tomboy, who at the age of 13 not only has a rolly polly companion, Tubby, and an amazing capacity for food, but also has a burning desire to grow up to the glamorous age of 16. This is accomplished in the course of the play.

The cast included Elsie Gordon, Pat Bryan, Bob Hawthorne, Carol Nichols, Tony Culver, Chuck Nedele, Janet McCutchan, Kathy Clancy, Waneice Demorest, Steve Norman, Bill Lipman, Jeff Plank, Glenn Snidle, Dick Fee, Don Hosack, Gil Rogers, Jim Ireland, Mike Meyer, and Kim Tubergen.

The play was under the direction of Mrs. Chokey and Mrs. Lavens.

Which one will it be?

Judy shows them how it’s done.

The make-up crew at work.

## “Miracle at Potters’ Farm”

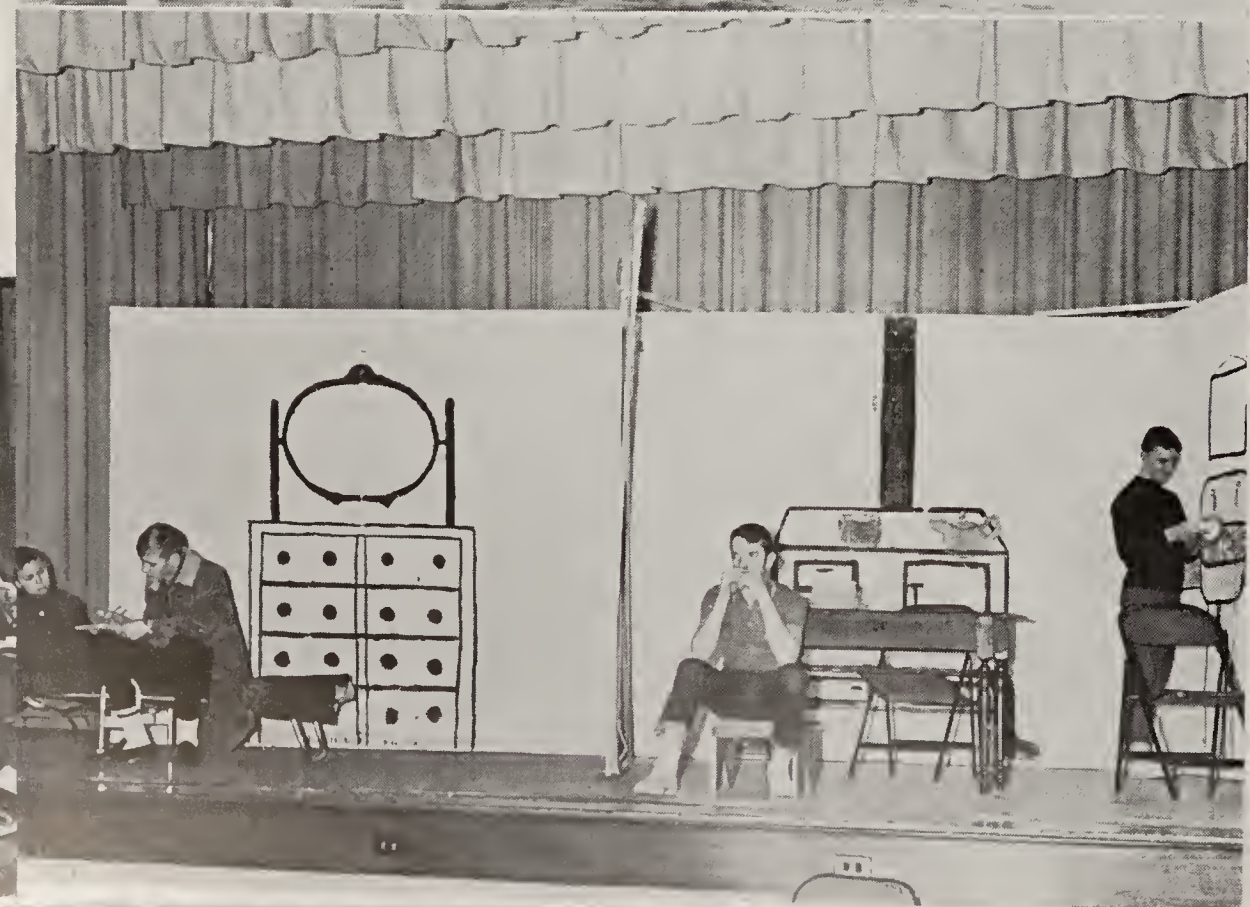

For the first time this year the Thespians presented a play to the entire student body as an assembly program.

The play, “Miracle at Potters’ Farm,” concerns the five orphaned Potter children who are desperately in need of equipment to make a go of their farm and keep the family together. It remains for Brucie, the youngest, to provide the innocent solution. Believing that a person gets what he prays for as long as it isn’t for himself, he prays for everything from chickens to tractors; and on his birthday the farm is deluged with such gifts from all around the world.

The play was produced with unusual effects. The stage set itself was merely suggestive of the poor run down farm house. Changes of scene were shown by blackouts rather than curtain closings. Motions were used to take the place of numerous stage properties.

The cast consisted of Bill Lipman, Bob VanAuken, Joan Nichols, Jack Croxton, Ton Chaudoin, Linda Clancy, Bobby Burch, Betty Carrick, Jan Morley, Doug Fogle-song, Nicky Nix, Dale Smathers, Richard Reynolds, Mike Meyer, Jim Hornbacker, Glenn Snidle, Chuck Easterday, Steve Norman, and Dennis Putman.

Mrs. Chokey and Mrs. Lavens were the directors.

Brucie shows his “big catch.”

# "Sal"

"Sal", the first of its kind presented by the Thespians, was a hillbilly musical comedy in one act. The plot is centered around a "pistol-packin' gal" named Sal Skinner.

Sal, the sheriff of Goose Neck Creek, falls in love with an Eastern gentleman and is able to save the day by helping him find the trail to happiness.

Musical numbers included: Overture-Instrumental group; Opening Chorus-Cal and Boys; "What Do I Need With You?" - Sal and Cal; "Win, Lose or Draw" - Cal; "Jest Serposin" - Corpus, Hank, Jim, Jessie, Bessie, Tessie; "Love Is A Itchy Feelin'" - Sal; "Scena" - Ensemble; "Reprise" - Sal; "The Lost Trail" - Sal and Rocky; Finale - Ensemble.

## Varsity

The Hornet football team this year played the toughest schedule our school has had. They won two and lost seven.

The Hornets started out the season against Concordia of Fort Wayne and battled to a 0-0 tie. In the next few contests the Hornets just could not keep going the whole game and as a result they were beaten. First they fell at the hands of Elmhurst 0-13, the Hornets losing the game in the second half. Next we played Auburn and looked good until the last few minutes of the first half in which Auburn scored twice, making the final tally 21-0. Then the Hornets played New Haven, which was probably the best team in our conference; New Haven won 33-0. Garrett was our next foe and in a hard fought contest they came out on top 13-0. Then we traveled to Bluffton where we finally broke our score jinks but a bit too late, Bluffton winning 34-7.

Howe Military came to Angola with big ideas this year, but the Hornets came

## Season In Review

With 5 wins against 15 losses, the Hornets closed their 1964-65 regular season.

The first game was played at Churubusco and the Hornets were defeated 80-54. In their first home game Butler edged the Hornets 64-56. Angola then played five straight conference games with five good basketball teams and lost them all. The first three of these were away as the Hornets lost to Columbia City 85-45, Bluffton 66-48, and Elmhurst, 79-38. The other two were played at Angola. New Haven beat Angola 73-51 in the first one. Then Auburn's Terry Habig swished the net for 41 points as the Red Devils rolled over the Hornets 90-64.

Our first victory came in the Holiday Tourney at Kendallville when Angola defeated Kendallville 65-56. In the championship game, Garrett, one of the best teams in the state clobbered the Hornets 75-31.

In the tough schedule Angola was pitted against Garrett in the next regular season game. Garrett again defeated Angola 93-44 at Garrett. Then the Hornets gave Berne a good battle in a home game but lost 73-61. The next game was with a strong

high-scoring Waterloo team at Waterloo. The Wildcats won it 99-51.

Angola registered their second victory in a wild home game against highly-rated Ligonier by a score of 57-46. Next the Hornets lost a 79-65 game to a hot-shooting Decatur team at Decatur. The Hornets lost a thrilling 51-50 contest at home to Albion. It was evident that they were getting better. Next, the Hornets traveled to Hometown and lost to a fine team 66-45.

Angola then had a successful weekend in which they won two ball games at home. The Hornets rolled over Kendallville for the second time during the season by a score of 68-47. The next night, the Howe Military Cadets fell to Angola 70-54.

In the game at Lakeland with their strong team the score was Lakeland 90, Angola 60. The Concordia Cadets fell before the Hornets 65-61 on the Angola hardwood as the season closed with a flourish.

In the Sectional Tourney the Hornets bowed to Hamilton 63 to 45.

## VARSITY CHEERLEADERS

This year's varsity cheerleaders are Jean Penix, Anne Hartman, and Linda VanAman. They have done a terrific job in promoting school spirit. Their enthusiastic cheers have led the pep club and boosted the morale of the team. We would like to thank the varsity cheerleaders for a job well done. Mrs. Grabill was their faculty adviser.

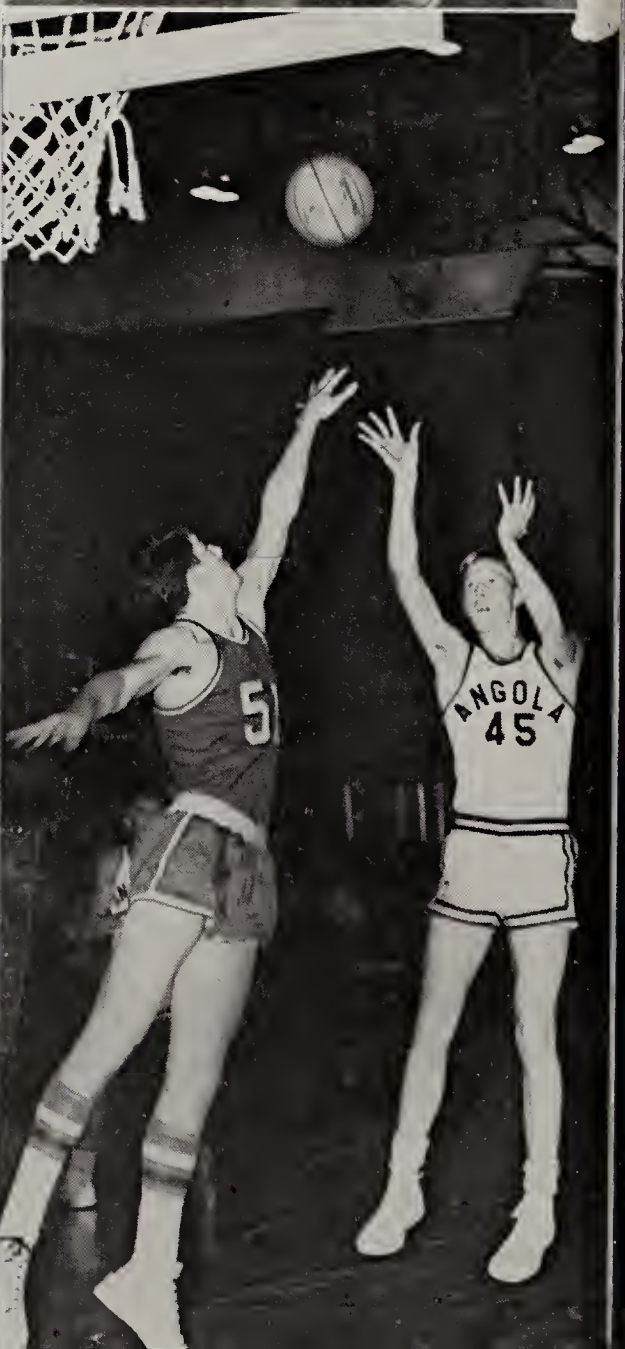

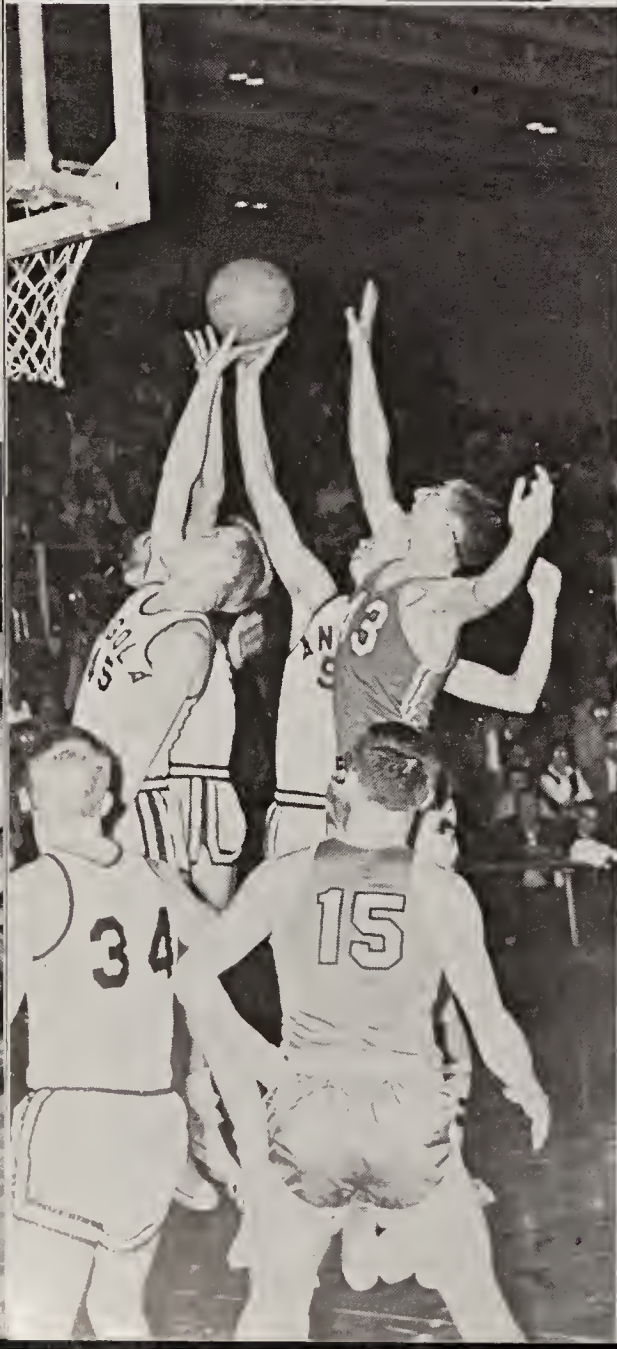

## Our Coaches

The school has no group of individuals more dedicated to their work than the coaching staff. A coach must be willing to spend a great amount of time and effort in preparing for each contest, and his job is often a thankless one. We want these men to know that we as students sincerely appreciate their unselfish efforts for the boys and for the school.

Harry Kelley - Head Varsity Basketball Coach, B-Team Football; J. Robert Johnson - Athletic Director; Jack Prosser - B-Team Football, Junior High Basketball Intramural Play, Track; Russell Brayton - Golf; Phil Hull - Junior High Football; Charles Avery - Wrestling; Leroy Cable - B-Team Basketball, Assistant Varsity Football; Ned Schlosser - Head Varsity Football Coach, Freshman Basketball; Carroll Nesbitt - Gymnastics, Track; Joe Sirk - Junior High Basketball, Football; Charles Dygert - Baseball, Cross Country.

## In the Dressing Room

The dressing room is an important part of the game of basketball which the spectators never see. It is in the dressing room where great teams are made. In this enchanted place out of sight below the bleachers the coach instills into his players the feeling of determination that it takes to win. Each player has to be mentally ready for each game.

ed Angola, Angola won 95-59.

Angola was then defeated by Edgerton 31-20 but showed much improvement since the first meet. The Hornets then participated in the Howe Military invitational tourney and finished third. In the last meet of the season Angola played host to Montpelier and lost a heartbreaker by the score of 28-25.

In the sectional tourney at Elkhart, Tim Deller, Steve Woodworth, and Bill Bryan all received third place in their individual weight classes. Ron Clouse received a fourth place.

## Track

The Angola track team ended the 1963-64 season with three wins and five losses and two new school records set.

Angola started the season against Concordia and the Hornets suffered their first defeat 66½-32½. The Hornets then became the victim of Columbia City 71-38. The thinlies then bounced back to defeat Avilla 84-47 in a meet held at Boomershine field April 10. Next the Hornets won a three-way meet April 17. The scores were Angola 60½, Waterloo 48½, and Eastside 28¼. The Hornets then dropped their last meets to Kendallville 69-40, Garrett 69 7/12-29 5/12, and Auburn 67½-41½. Howe also fell victim to the Hornets' sting.

Angola traveled to Columbia City for the N. E. I. C. meet and placed seventh. Carroll Nesbit is the coach.

## Cross Country

This year the cross country team made a fair showing, winning 3 and losing 6 meets. If we consider this as only the second year for this sport, the team fared well. Mr. Dygert is the coach.

Ron Clouse, our leading harrier, placed well in individual competition. Ron placed third in the NEIAC meet, fourth in the sectional, and sixth in the regional. Anyone that thinks he is man enough to survive cross country and beat Ron is welcome to join the team next fall.

This year in cross country something new was started—the 200 mile club. To be a member, a runner must run 200 miles in practice and meets combined. The members of this club are: Roger Call, Richie Call, Ron Clouse, Ralph Hall, Bruce Moody, Jeff Plank, Charlie Shiveley, Mike Thomas, Kim Tubergen, and Bob Walter.

# Golf

The Angola Golf team had its best season ever last spring (1964) by compiling a record of 8 wins and 3 losses.

The team started out the right way by defeating Garrett 7-3 there and also defeated Butler 10-0 at Auburn.

Then they seemed to have some trouble and consequently were defeated by Auburn  $3\frac{1}{2}$  to  $6\frac{1}{2}$  and Kendallville 4 to 6. The Angola golfers found the line again and defeated Howe 8-2, St. Augustine 7-3, and Howe, again, 7-3. This gave them more confidence to face their roughest foes, Kendallville and Auburn.

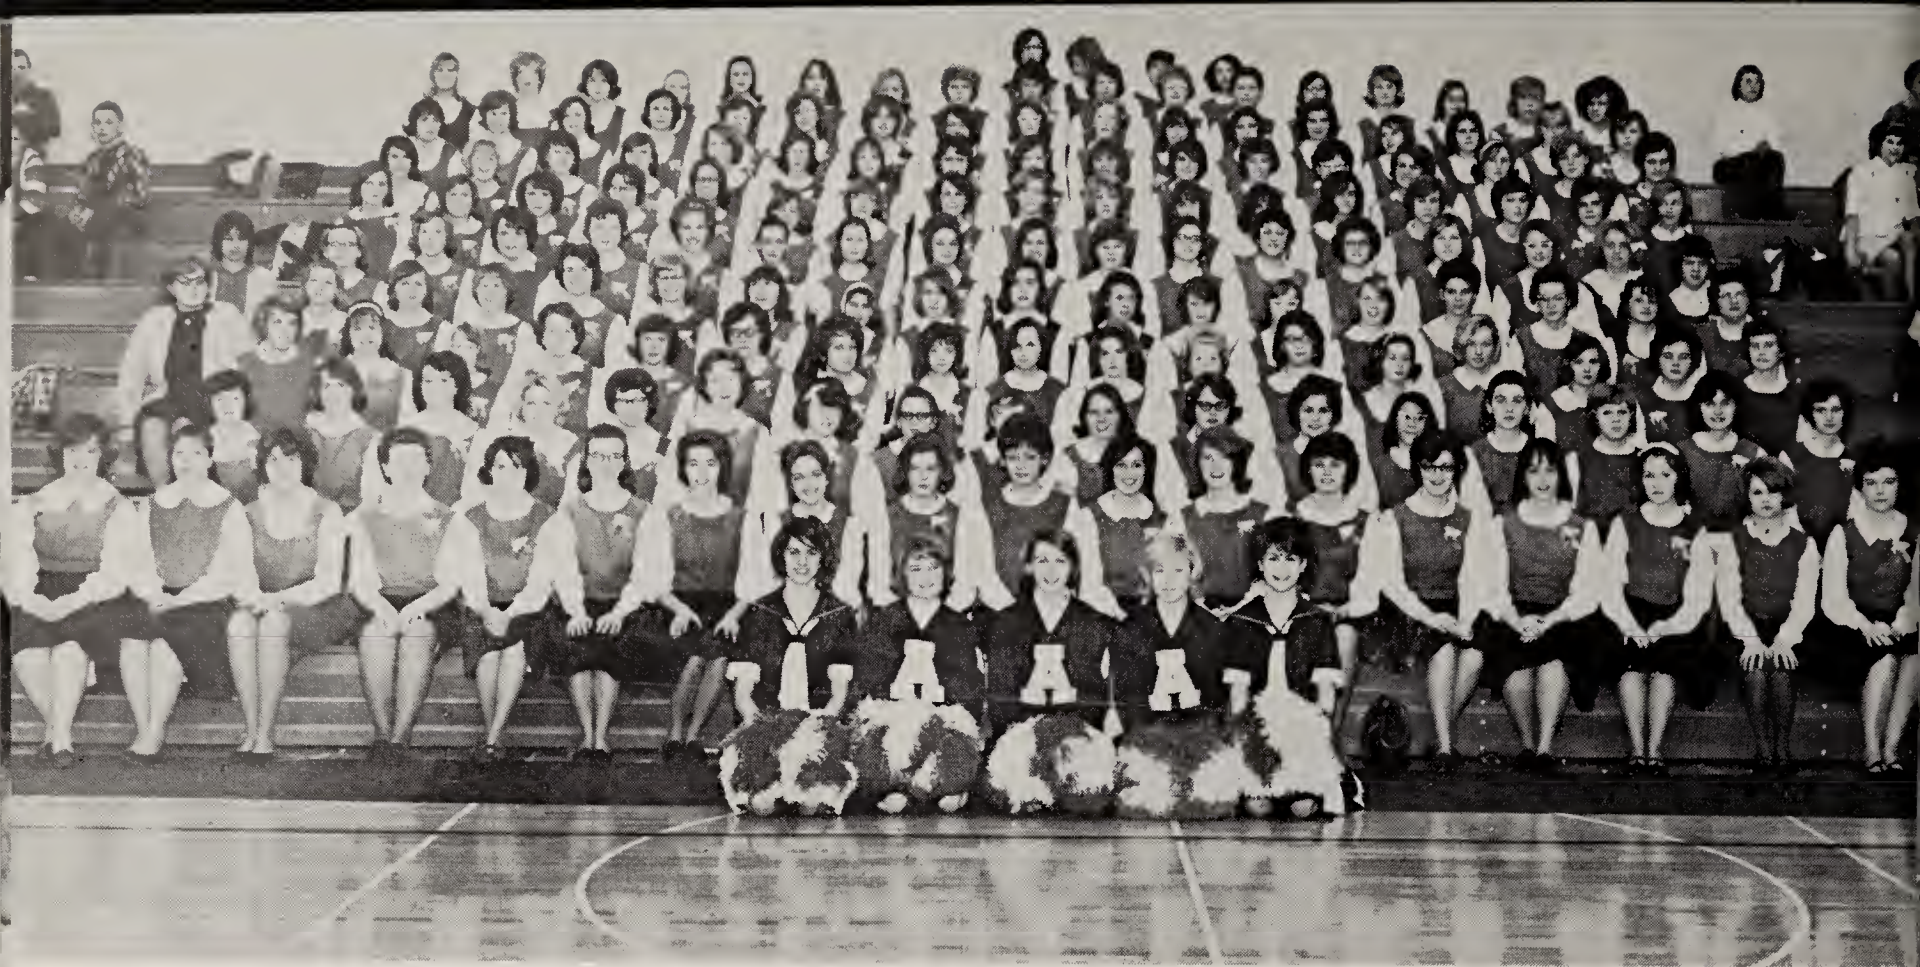

Kendallville once again proved too tough as they defeated Angola by a 3 to 7 score, but Auburn was another story as our golfers squeezed past them by a  $5\frac{1}{2}$  to  $4\frac{1}{2}$  count. The Angola Golfers finished their successful season with a 12 to 0 shut out, when they had their match with Butler.

TOP ROW: Kim Tubergen, Charles Easterday, Erik Mellby, Dennis Rausch, Jim Stirling, Rod Dent, Greg Mason, Tom Van Auken, Doug Smith, Don Hosack.

FRONT ROW: Terry Coggeshall, Lynn Hilton, Dick Fee, Jim Parsell, Neal Nix, Tom Wenzel, Gary Bumgarner, Nicky Nix, Coach Russell Brayton.

## Pep Club

The Pep Club has been a very active organization with 165 members this year. During the basketball season the members wore dark skirts and purple vests over long-sleeved white blouses at the home games. They sat in block formation, the seniors occupying the front row and the juniors, sophomores, freshmen, and junior high following in that order.

During the season many fine flash card programs were given. The Thanksgiving and Christmas displays received much favorable comment. The formation of the American flag was especially outstanding. Most of the designs presented were created by the members themselves.

The Pep Club sponsored a very successful Hornet Rally last August 27, at a football scrimmage.

The officers of the club were: Debbie Spangle, president; Penny Mick, vice-president; Vicki Willis, secretary-treasurer. Mrs. Janet Grabill was the club sponsor.

## G. A. A.

The purpose of the Girls' Athletic Association is to increase each girl's interest in various sports and to develop friendship, better sportsmanship, and cooperation among the girls.

The club meets every Monday during the activity period and the girls participate in such sports as volleyball, basketball, dodgeball, soccer, gymnastics, and softball.

Various playdays engaging different sports are attended each year by G.A.A. members. This year our club sponsored a G.A.A. campout in the fall and a playday in February.

Serving as president of the club this year was Barbara Hanselman; Joyce Johnson was vice-president; Nancy Wilder, secretary; and Judy Stevens, treasurer.

## ELEGY TO THE CLASS OF '65

The processional its pomp proclaims,  
Commence the march sublime.  
Ring out the proud orchestral strains,  
Our class is passing by.  
The flashing of bulbs, the laughter, the sighs  
Are part of the occasion's grandeur.  
The friends all smile, a mother cries,  
The Siblings sit silently wide-eyed.  
The terminating music awakes  
An anxious, solemn air.  
A man whom all respect now takes  
His yearly honored chair.  
The speaker, of course, is introduced  
Who — no matter how distinguished—  
Must repeat the adages of annual use  
To praise, to enthuse, to admonish.  
But the senior's mind is far away  
In years to come or now passed.  
Ambition and confidence will pave the way  
For this wondrous senior class.  
Many seniors these glorious halls will leave;  
But never again will exist  
A group of young people who so staunchly believe  
They'll earn and attain success.

—Roni Rae Pufahl

## THE EMPTY HALL

It's empty now;  
I see it for the last time;  
I can hear laughter,  
But it fades.  
It's empty now.  
Etched in the walls is learning.  
It will remain there,  
Awaiting the next.  
I turn my back,  
Knowing I'll never forget.  
Memory clings;  
It will not fade.

—Carol Nichols

## CAN I?

The day has come for which I've waited;  
The cap, the gown—all anticipated.  
I'm filled with joy, but yet I find  
A sadness mars my peace of mind.  
I leave all safety; to college I'm hurled.  
And now I wonder, can I face this world?

—Lynn Haynes

## THE END OF THE BEGINNING

It is over. The time has come for me to leave;  
I no longer belong here. As I walk  
These halls for the last time, I silently  
Thank them for all they have given me; and I  
Know that I must now say good-bye. Standing  
Here, my eyes move over the familiar  
Structure before me. Then I turn my tear-stained  
Face and quietly walk away knowing  
That it is only the beginning.

—Jane Williamson

## MY CAP AND TASSEL

My cap signifies the end of the first chapter of life,  
And that part may be recalled only by sweet  
memories.  
Each strand in that tassel holds a suggestion  
Of all my high school trials and tribulations,  
Which are quickly coming to a close.  
One represents my "green" freshman year,  
Which held many new and exciting discoveries.  
In others I see my sophomore and junior years  
And all the gay times, parties and our junior stand.  
Still another strand depicts my most glorious year of  
all,  
When I was a mighty senior and had superiority in  
the halls.  
Many of the others hold cherished memories of  
teachers and homework,  
But especially of all the friendships  
That have been molded through the years.  
The remaining strands symbolize the key  
That will lead me to my future destiny.  
Chapter two of the book of life is about to unfold,  
So let the pages turn, for life must always move on.

—Pat Milbollar

## THAT DAY

Once I looked upon a senior,  
So tall and full of knowledge,  
And wished and prayed with all my heart  
To be so near to college.  
What a wonderful time it would be  
For that great day to come,  
When I will conquer all the world,  
And my high school days are done!  
But now that day has come upon me,  
So fast — I'm suddenly afraid,  
And yet I know I must be strong  
And fulfill the plans I've made.

—Sally Hoffman

We, the Class of 1965, descend these stairs for the last time only to undertake the next flight which leads us to even greater heights in our search for future success.

This book contains just a small segment of those golden memories which shall linger forever in the hearts of all. The knowledge we have attained and the encouragement we have received during our years at Angola High School will be our inspirations, and the guidance and understanding given to us by the faculty will not soon be forgotten.

Through this Key it is with heavy hearts we bid our last farewell to A. H. S. May it be a key to the past as we tread the unknown paths of the future!
